

Advanced C#

Jeremy Duvall - Consultant

Work History: Slalom Consulting, Deloitte, MSFT, Danger

Key Skills: Java, JavaScript (various libraries), .NET, Software Systems Architecture, Compilers, Best Practices, Design Patterns, Optimization, Software Development Processes, Git, Cloud Computing, Big Data.

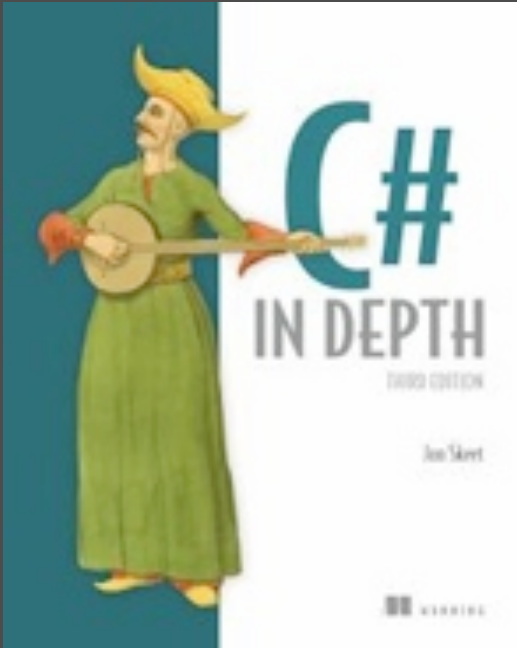

Interests / Hobbies: Spending time with the wife. Fitness: I cycle (Orbea Onyx) and run with our Wiem (pictured left). I love music—I'm usually found shredding on one of my self-tweaked guitars at any given moment during down time (when it exists). Currently completing my MSCS specializing in software engineering and databases at Georgia Tech.

Interesting Fact(s): I played bass in a rap band.
